Neilos Trading PLC Profile

No.	Company Information	Description
1	Company Name	Neilos Trading PLC
	Year of Establishment	2014 G.C.
2	Company Background	<p>Neilos Trading PLC is a company engaged in export and import businesses. The company is headquartered in the business district of Addis Ababa, Ethiopia and exports agricultural commodities like oil seeds, pulses and spices in which Ethiopia is internationally known for. We are specialized in exporting oil seeds such as sesame seeds, niger seed, castor seed, pumpkin seed, rape seed, ground nut, lin seed and others. We are also hugely engaged in exporting pulses such as soy beans, green mung beans, chick peas, horse bean, haricot bean, lentils, lupine, pea bean and others. Dried pepper, cumin, ginger and coriander are also some of the spices we are exporting. Moreover, we supply other agricultural products upon request from our customers. We are procuring agricultural products from trusted producers. The products are then hygienically processed and packaged as per the international standards to maintain their qualities. Neilos Trading PLC is an active member of Ethiopian Pulses, Oilseeds and Spices Processors and Exporters Association (EPOSPEA). We are also establishing flour mill factory.</p> <p>On the other hand, we import varieties of electronic devices ranging from computers and accessories to stationery items. Our business is modeled on the basis of forging long term partnerships with our trading partners through trust and mutual benefits. We believe that the supply of high quality agricultural commodities at reasonable prices will make our partnerships stronger and sustainable.</p>
