Clarification Number One

Points to clarify

1. Concepts

The following concepts are used interchangeably 'concept note, application and proposal'

The key issue under in the call for proposal is we need a proposal based on the official project formats designed by the project together with all relevant documents as per we stated in the guide line

2. Deadline to request clarification

- Under section 2.2.4 paragraph one line 2 it says '...21 days before the dead line...' please correct it 11 days before the dead line
- Under 2.4.2 in the table s/n 2 it says '21 days before the submission deadline' please make the following correction ' 11 days before the submission deadline'
- Clarification request should be sent to the following address heyeru.h@gmail.com when the request presented it should be coping all invited parties in the call for proposal.

3. Lot Number

The call for proposal has two Lot numbers. As clearly indicated in section 1.3

Lot Number one

It is only for companies either owned or managed by women.

Companies owned and managed by men are not allowed to apply under this lot. If you apply, we will reject automatically. Even no women managed or owned company applied or all women managed or owned companies failed to full fill the requirement.

Lot Number Two

It is for all companies
